1.3 Time of Compliance:
On holders discretion

1.4 Subject:
ATA-Code: 11-30 Internal Placards and Markings
Marking of the canopy emergency release handle

1.5 Reason:
GROB received a customer request to mark the canopy emergency release handle of civil registered aircraft with yellow / black stripes in accordance with military regulations.

This Service Bulletin describes the procedure to optionally install the corresponding markings to the canopy lock covering.

1.6 Concurrent documents:
N/A
1.7 **Approval Note:**

The technical content of this document is approved under the authority of EASA Design Organization Approval No. EASA.21J.030.

These information or instructions relate to change no. OÄM1078-127 which has been approved under the authority of EASA Design Organisation Approval No. EASA.21J.030.

1.8 **Accomplishment/Instructions**

1.8.1 Ensure that the aircraft is safe for parking I.A.W. MM chapter 10-10.
